

***BCBSFL HIPAA 5010 READINESS, TRANSITION AND STATUS UPDATE MEETING –  
OPEN LINE FRIDAY***

As a result of feedback received from attendees, BCBSFL will continue to host one-hour teleconference calls each Friday until March 30, 2012 focusing not only on BCBSFL's 5010 readiness, transition and overall status but we will also include a 5010-related topic of common interest.

**ACTION REQUESTED:**

Pass the word to those in your organization that would benefit from participating in this valuable call. If you are not the correct contact person to represent your organization, please let us know and we will extend the invitation to your designee. A copy of the meeting handouts will be available on the day of the call. We certainly look forward to your participation!
