

Codes Added for Technical Diagnostic Imaging (TDI) Providers

Effective Date: May 1, 2012

BCBSMA will be making the following code updates this spring. You can find a copy of your revised fee schedule under the *BlueLinks* Resource Center.

The following codes were added to the fee schedule for TDI providers for all products, effective for dates of service on or after May 1, 2012:

- 74261 CT colonography, diagnostic, including image postprocessing; without contrast material
- 74261 CT colonography, diagnostic, including image postprocessing; with contrast material
