

Vendor Affiliate Advisory Committee Wrap-Up Meeting

Many Vendor Affiliates attended this meeting as well as the committee members, Brad Lund, Ken Goodin and Randy Roat.

Ideas for Improvement:

1. Longer hours or leaving the exhibitor hall open the entire conference.
2. More than one entry into the exhibitor hall or moving the door so that all exhibitors had the chance to be the "first" booth.
3. More social events
4. Serve coffee all day
5. Really missed the Wine & Cheese Party

Everyone was pleased with this conference and thought most problems had been handled quickly and that everyone listened to them. Vendors were happy with the attendees and how our membership supports their efforts.
