Re: NCVHS Testimony

HBMA will be presenting testimony before The National Committee on Vital and Health Statistics on Friday, November 18th. HBMA's testimony on Provider Enrollment Forms will be from 8:30 AM-9:30 AM EST on Friday and testimony on Claim Edits/Plan Payment Rules will also be on Friday from 11:25 AM-12:00 PM EST.

Long time HBMA members Dave Nicholson from Professional Management, Inc. and Holly Louie from Practice Management, Inc. will testify on behalf of HBMA members before the Subcommittee on Standards. With the help of the Commercial Payor Committee, Dave will be presenting testimony on provider enrollment challenges faced by our membership and clients. Holly's testimony will focus on claim edits and plan payment rules and the significant number of issues we face every day because of inconsistency among payors.
