

## ICD-10 Resources

### ICD-10 Basics

These resources will introduce you to ICD-10, explain why it's necessary, and give you the information you'll need to get started on your transition.

### Checklists, Timelines, and Implementation Guides

Checklists and timelines provide an at-a-glance view of what you need to do to get ICD-10 ready. The ICD-10 implementation guides provide detailed information about the ICD-10 transition.

CMS also developed an online ICD-10 implementation guide, which is a web-based tool that provides step-by-step guidance on how to transition to ICD-10 for small/medium practices, large practices, small hospitals, and payers.

Please note that the dates and milestones in these materials are recommendations only; you can adapt them to your needs for meeting the **October 1, 2014**, deadline.
