Revised Diagnostic Imaging Payment Guidelines

Effective Date: July 1, 2012

Effective July 1, 2012, when two or more reimbursable imaging services are performed on the same date of service, at the same encounter, in all places of service, a 50% reduction of the lower priced radiologic service will be taken on the *technical component only* and, the technical performance of the global services when certain imaging CPT code combinations are billed for a single member at the same encounter.

A listing of all codes included in this policy can be found in NHP's [Imaging Payment Policy](#).
