

Technology Committee  
September 18, 2009

**Present.**

Bill Carns  
Joe Schendel  
Brad Lund - ISAM  
Michelle Botana - ISAM

**Agenda.**

**1. New Members**

Discussion was held about the members who signed up for the committee at the Spring Conference.

**Action: Bill Carns will contact Chet Guardino., Terri Simpson., Linda Basham, and David Gilles to discuss their involvement in the committee.**

**2. Power DMS**

Bill Carns reported that the initial 3 proposals that were sent out needed to be tweaked. The new proposal sent includes all enhancements that were asked for. Each member company would get 1 free user. All work that has been already inputted will be transferred over to the 'live' version. Bill will be advising the board of the contract and recommending that it be accepted per the Committee.
