

Regions and Membership Committee

June 17, 2009

2:00pm CDT

Present:

Patrick Lukacs
Sara Nofziger
Emily Osetek
Todd Gillis
Michelle Botana – ISAM

Agenda:

1. Alternative Dues Structure

After much discussion, the committee has decided that the current dues structure should refine the number of FTE's to include BPO's.

Patrick will write up the recommendation to the board.

2. Regions vs. Specialties

Discussion was held, nothing decided. There is concern about what the value would be to HBMA members.

3. State Web Pages

Patrick and Todd have had email dialogue regarding the professional social networking sites, such as, LinkedIn, Facebook, etc. Discussion centered around an idea of finding a tool which would empower members to add to a knowledgebase with state specific data which would develop in a community base and would create an opportunity for member interaction. Ultimately the users would 'own' it.

Action. Patrick and Todd will put together some more complete thoughts regarding this and send to the committee for comments.
