

MA - TUFTS HEALTH PLAN

X-Ray Transportation Services

Effective Date: July 1, 2012

Effective for claims adjudicated on or after July 1, 2012, Tufts will not compensate for the transportation of portable X-ray equipment and personnel to a home or nursing home (R0075) unless the appropriate modifier is submitted to specify the exact number of patients served. This change is located in the Mobile Imaging Payment Policy.
