

Survey Committee Minutes

Date: Thursday, February 11, 2010

Where: Conference Call @ 10 a.m. Central

Present: Susan Chandler, Chair
Patrick Lukas, Co Chair
Bob Burleigh
Karen Olson
Jackie Willett

Brad Lund – ISAM
Michelle Botana -- ISAM

Absent: Dan Stech

Billing Fee Survey

- Bob drafting user friendly instructions on how to complete the survey. Bob anticipates having those completed by February 12th
- Committee will release Survey March 15th (this will allow for the Meaningful Use Survey to be released first)

Coding Survey

- Brad reported we can table this Survey as it has been pending input from Melody and Gretchen.

HR Survey

- Michelle will build the Survey used last year (02.09) and will distribute in time for our next meeting in March. The Committee can then decide if we want to add to the Survey.

MCPSS Survey

- Michelle has almost concluded building the Survey utilized last year in our new tool. When completed she will distribute to the Committee and to Barry Reiter for comments or to do a comparison of the draft used last year to the MCPSS released this year.

Days in A/R Survey

- We have encountered some problems with building this Survey in our Qualtrics tool. Michelle has achieved some completion after reaching out to the tool developer. After she builds the Survey she will send to the Committee. The Survey will likely be released in the Summer.

Meaningful Use Survey

- The Committee reviewed the Survey as requested by Holly Louie. Some recommendations were made and Michelle will incorporate such and distribute to the Committee and Holly for approval. Goal is to release by February 16 and leave open until March 4th (send two reminders) and then results will be sent to Committee and Holly on March 5th.
