Aetna's secure provider website on NaviNet[®]

We make it easy for you!

Claims and account management

You can submit professional claims for free, regardless of your participation status. You can also inquire on individual claims, run claims reports and access claims policies.

Transactions and tools on our website

On Aetna's secure provider website, provider offices like yours have access to many transactions and tools that can help simplify your work day. To see a complete listing of what we offer visit www.navinet.net/about/aetna.

The "Workflows" section in the left navigation bar quickly navigates you to:

- Electronic transactions
- Claim EOB Tool
- Account Management Tools
- Update Provider Demographics

The "Resources" section on the right navigation bar offers quick links to content like:

- Accountable Care Solutions
- Clinical Policy Bulletins
- Precertification List
- Precert Code Search Tool
- Aetna Benefit Products

Sign up for a free webinar!

To learn more about our transactions and tools, go to www.aetnaeducation.com and click on "Webinar Calendar."

Log in or register

- Existing users: go to <https://connect.navinet.net>
- New users: go to <https://connect.navinet.net/enroll>
- Enter your username/password and select 'Aetna Health Plan' from the 'Workflows' section in the upper left navigation

Please Note: NaviNet supports all browser interfaces including access through Google Chrome, Firefox, and Safari for Mac along with Internet Explorer.
