

## Technology Committee

August 20, 2010

**Attendees:** Bill Carns, Setu Patel, Curt Cvikota, Joe Schendel, Brad Lund, Michelle Botana

### **Agenda.**

**1. Update**

Bill gave an update of where the Committee currently is with all projects.

**2. Customer Relations Tool**

PracticeMax has engaged an outside consultant to help source appropriate packages and explores needs to develop RFP. Bill will bring all prospects to the Committee for vetting.

**3. HBMA University**

John Howard of Employer pages has prepared 5 different courses centered on HR. These have been delivered to the Education Committee where they will be approved before being put into the University. The Education committee is looking for funding to proceed, proposing \$1500 will be the cost of delivering this to the students. Bill has offered to do one course as an example which would be sent to the board and Ed committee for testing, this will be ready in 30-45 days. Discussion also centered on whether this should be offered to member clients or non members. Joe will get this put on the agenda for the September board meeting.

**4. Kavi**

Brad has confirmed this is not an appropriate vehicle for electronic voting; Paul has researched some products and will send the information to the committee for consideration. The contract is signed and will begin training courses in September for all committees
